Resignation	Due to family commitments Cathy Grant has had to resign from the board. CDS asked the meeting to note the excellent contribution that Cathy had made, wishes her well and hopes that she may be able to rejoin at a future date.	
Matters Arising	<i>Wilder Ways.</i> Some reservations were raised but following discussion it was decided to encourage group to make use of the forest but that the trust would review after a few months. At present no charge to be made to group but this would be reviewed depending on uptake and what they were charging participants. Need to check that group has all the relevant qualifications and insurances. Decided there was no requirement for group to make a presentation to board at this time.	AL and CR will monitor group and if possible attend a couple of their sessions
	<i>Newsletters</i> . Discussed the best method of distributing and it was decided that board members would distribute. Newsletters to be divided up at next meeting.	Newsletter to be divided up next meeting
Finance and Administration	Total expenditure for month £10,177.48 Total Income for month £8,881.00 Monies received from HIE £8,881.00 Total in account £83,635.47	
	<i>Clachan Hub. SWOT</i> analysis being done on project. AL to explore possibility of an electric charging point. David Sutherland is very supportive of project and trust will try and organise an early meeting with David to discuss possibly how he could support group. Amber is preparing final version of application for Big Lottery funding for £1.25 million. There is no grant funding available for accommodation. Need to explore ways of match funding. Sports Scotland is a possibility because of Shinty and Cowal Way.	AL to explore electric charging point. CDS to organise a meeting with David. AL to explore Sports Scotland funding.
	<i>Stronafian Forest.</i> There is a slight problem with the wording of the lease which although presently is not an issue in the future it may give rise to some problems. Trust decided that we need to get the lease amended. Stronafian Forest facebook page set up	CDS to get lease amended
	<i>PAYE.</i> There have been some issues and CDS has contacted HMRC and they will resolve matters with AL.	AL to follow up
	<i>Vakantiebeur Show.</i> Stewart has made a lot of contacts from this and previous shows that he is following up. There is a lot of interest in the Cowal Way. Should consider producing leaflets in Dutch. (See SM notes and appendix I	SM to research possibility of producing leaflet in Dutch
