Colintraive and Glendaruel Community Council

Community Food Supply Service

27th March 2020

In order to help the community access a stable and regular supply of food and supplies, we are now working with a number of local suppliers to provide a food delivery/collection service that will allow members of the community to receive food deliveries at home and avoid the need to travel to Dunoon, Rothesay or Tighnabruaich. Such shopping trips are costly, time consuming and, most importantly, expose members of our community to potential infection. The following food delivery/collection services will be available

Fynest Fish

Robert will continue to deliver to the community as long as he has supply. Robert can be contacted on 07880 718000. This should provide a good source of fresh fish and vegetables.

Shellfield Farm

Within the next few weeks, Nikki & Fraser will be launching a range of homemade farm2fork frozen ready meals for safe home delivery to your doorstep. These will be sold as single or 2 person portions with prices starting at £5.50 and £8.50. Initial recipes will be Beef Bourguignon, Cottage Pie, Veggie Shepherds Pie and Fish Pie, with more to be added in the future. Pease contact on 07799 137779 or shellfieldfarm@outlook.com to join their mailing list; follow their social media pages/ website for up to date info on launch date, offers and pricing

Colintraive Hotel

Clare has offered to take orders from the community and place them with her suppliers. Orders can be collected from the hotel at a pre-arranged time slot or delivered to your door. Orders placed by 5pm Sunday will be ready for collection/delivery on the following Friday. To place an order, please call Clare on 01700 841207. To make the process as efficient and cost effective as possible, only one brand of each product will be available, depending on supply chain capacity. New items will be added over the next few weeks. We have attached an order form which can be used to order over the phone. An online ordering form will be available soon. Clare can also order meat from McQueens in Rothesay and venison from Winston Churchill to avoid multiple delivery charges

Nikki and Clare have both offered to set up accounts to make payment easier as we would like to avoid the use of cash for safety reasons. Payment can be made over the phone or by bank transfer.

Our aim in setting up this arrangement is twofold. Firstly, we feel it is vital that the community has a secure, safe and cost effective supply of food and groceries for the next few weeks and months. Secondly, it is important that we support our local businesses. We feel that this initiative helps achieve both.

If you have prescriptions that need to be collected, let us know and we can co-ordinate pickup and drop off. Tighnabruaich surgery prescriptions will be delivered.

If you have any questions about this service please contact one of our Community Resilience Volunteers

Cathleen Russell 01369 820319

Danuta Steedman 01700 841329

Davie Munro 01369 820199

This is a fast moving situation and we are trying to react as quickly as possible so will try and refine/update this service regularly.

Colintraive Community Price List
